

2023/2024 BLAZE UNITED INFO + DUES

UNITED PROGRAM INFO

\$150 PLAYER REGISTRATION - Due upon accepting a spot on the roster / \$275 per month, August thru July. Evoshield sponsors the United program, so many uniforms, equipment, and apparel items are free, along with partially discounted monthly team fees.

All uncommitted players are required to participate in our B-Recruited program. The program is \$80 bi-annually until the player verbally commits to a college program. The first payment is due in October 2023, and the second in February 2024. If any player commits to a college within 30 days of either payment, it is refunded. See B-RECRUITED doc for more details.

Blaze United players are required to participate in the United fundraiser drawing. Each player must sell 25 raffle tickets at \$20 each for the 2023/2024 season. Drawing proceeds will be used to offset team and player national tournament expenses. United members may be required to participate in team fundraising activities such as tournament hosting and clinics to raise additional money for the team. Lastly, a player assessment fee is possible if the projected budget does not cover the team expenses for the 2023 fall and 2024 spring/summer seasons.

TFL Summer & Fall Championships
Ronald McDonald Tournament
Hotshot / Impact invites
Bomber EXP Weekend
Blaze Invites*

NOTE FOR 14 UNITED PLAYERS. The United teams do not train as a team, nor play tournaments from Jan thru April. Therefore 7th & 8th graders are given the opportunity to play for Blaze Spring teams during that time, players then return to playing 14 United in May. The Spring Team is a separate mini-season and has its own costs associated with it. United coaches volunteer their time for Spring teams in order to keep fees low. Cost is based on what and how many tourneys the team plays. The ST fee is in addition to United monthly player fee of \$275. If you have questions please reach out to me. JB
