

2019 TEXAS BLAZE UNITED TRYOUT INFORMATION

Blaze United is a national level program in the Texas Blaze that will represent players from all around the state of Texas and United States. These teams will compete at the highest level events and with the top teams around the country.

The teams will be powered by Wilson Demarini and coached professionally by a several of the top talents in the Blaze program. The team will train in different areas ranging from Austin to Houston and have access to the BAT CAVE (Blaze Athletic Training Cave) TBC is a 8500 sf indoor training facility located just outside of north east Austin in Round Rock Texas.

NOTE - Traveling players will NOT be required to attend weekday training during school year. They will however have access to training with Blaze teams in their region. Creative training schedules will be set up to accommodate traveling players.

CREATIVE PRACTICE SCHEDULES AND TRAINING

Traveling players will have creative options for training. For example a player from Houston will be able to train with Houston area player development coaches during the week and with United on weekends. Same goes for all traveling players in other areas such as San Antonio, Dallas and others. In addition, all United teams will have opportunities to train together on weekends.
